## Our finger plays today

*To the tune of Bingo*

I have a friend, the very best,

And we read books together.

You are my good friends (point to each other)

You are my good friends (point to each other)

You are my good friends (point to each other)

And we read books together!

**Books to the Ceiling**, by Arnold Lobel

Books to the ceiling, books to the sky,

My piles of books are ten miles high.

How I love them! How I need them!

I'll have a long beard by the time I read them.

Our craft is your very own Monster Bookmark!

Materials    -Rectangle paper    -Nose shape    -Google eyes    -glue dots

*Use your first glue dot to attach the flat part of the nose to the rectangle so it sits in the middle of your rectangle. Use your other glue dot to attach your eye above the nose. Decorate your monster. Now use your bookmark when you read!*
