Knock, Knock (Clap, clap)

Splish, Splash (Slap knees twice)

Come on in! (motion with hand to come in)

...Repeat with every number up to five...

Five elephants in the bathtub (5 fingers up)

Going for a swim. (pretend to swim)

Knock, knock (Clap, clap)

Splish, splash (Slap knees twice)

They all fell in! (Hands up!)

Our craft today is an elephant puppet! You will need a glue stick to complete this project.

Materials -Gray oval with a hole punched -two ears -google eyes

Use the glue dots to attach your ears on either side of the oval with the hole near the bottom. Add your google eyes, and stick your finger through the hole for your elephant's trunk!
